SERVICE INDUSTRY DIRECTORY

Real Estate Establishments in Mississippi

[SIC Major Group 65]
THE SERVICE INDUSTRY DIRECTORIES

The Mississippi Development Authority (MDA) prepares a series of Service Industry Directories. Directories are printed by industry type, using Standard Industrial Classification (SIC) Codes.

Data is gathered through various sources including the yellow pages; business white pages; annual reports; 10K’s; federal, state, and municipal government data; business magazines; newspapers; and postal service information.

“Custom” reports based on all SIC Codes are available by selected criteria: city or county; number of employees; and/or specified SIC Codes. To order a custom report, or if you have questions regarding this directory, please contact the MDA Resource Library. Our address is Post Office Box 849, Jackson, MS 39205-0849; or call 601-359-3449.

Note: When searching for a specific company by name, please be aware that companies like the M. P. Smith Company are listed alphabetically under M as MP SMITH, rather than SMITH, MP.

Under the heading of "Primary line of business," the document provides contact information for various real estate and appraisal services throughout Mississippi. Each entry includes the name of the business, location, phone number, number of employees, and the specific NAICS code for the business's primary line of business. The NAICS codes listed indicate the type of real estate or appraisal services offered by each company. For example, "653118 Real Estate*" indicates a company that primarily focuses on real estate services. The document also categorizes the businesses by county, providing a detailed representation of the real estate landscape in Mississippi as of December 2008.

SIC Code Index

Major industry groups, represented by two digit codes, are listed first and are followed by more detailed four digit codes. Within those four digit headings, lines of business included in that group are listed alphabetically.
