SERVICE INDUSTRY DIRECTORY

Security, Commodity, and Holding Companies in Mississippi

[SIC Major Groups 62 & 67]

Prepared by the Mississippi Development Authority
March 2009
The Mississippi Development Authority (MDA) prepares a series of Service Industry Directories. Directories are printed by industry type, using Standard Industrial Classification (SIC) Codes.

Data is gathered through various sources including the yellow pages; business white pages; annual reports; 10K’s; federal, state, and municipal government data; business magazines; newspapers; and postal service information.

“Custom” reports based on all SIC Codes are available by selected criteria: city or county; number of employees; and/or specified SIC Codes. To order a custom report, or if you have questions regarding this directory, please contact the MDA Resource Library. Our address is Post Office Box 849, Jackson, MS 39205-0849; or call 601-359-3449.

Note: When searching for a specific company by name, please be aware that companies like the M. P. Smith Company are listed alphabetically under M as MP SMITH, rather than SMITH, MP.
